IBUULA -- ABA HEBERE 9:27.

A man with long brown hair, wearing a white robe, is seated on the right side of the frame, reading a large, open book. The book is filled with text and has a decorative scrollwork on its cover. He is looking towards a large crowd of people gathered in a church or cathedral. The crowd is diverse in age and appearance, with some people looking towards the man reading. The church has high, arched windows and a grand staircase leading up to a platform. The scene is brightly lit, suggesting a daytime service.
