A woman with a determined and shouting expression stands on a balcony. She is wearing a purple robe with gold jewelry, including a headband, necklaces, and armlets. Her arms are raised. In the background, another person's hand is visible, clenched in a fist. The scene is set in an ancient-looking building with stone walls and a tiled roof. A small figure of a man in a brown robe is visible on the ground below.

A man with a beard, wearing a brown tunic and a blue shawl with fringes, stands in the foreground holding a red cloth aloft with both hands. He is looking towards a group of people in the distance. The background features a river, rocky terrain, and mountains under a blue sky. A group of about ten people, dressed in simple blue and white robes, stands on a grassy bank across the river. A speech bubble is positioned above the man, containing text in a different language.
