A comic book panel featuring four characters in traditional, possibly biblical, attire. The characters are depicted with exaggerated, shocked facial expressions. The character on the far left is a woman with her hand to her mouth. The three men in the center and right are wearing yellow head coverings and red or brown robes. The man in the center has a beard and is gesturing with his hands. The man on the right is also bearded and has his hand to his mouth. Two speech bubbles contain stylized text.
